

Orchard, Berry & Grape EQUIPMENT FIELD DAY

Date: Wednesday June 15, 2016

Location: Belltown Hill Orchards
483 Matson Hill Rd, South Glastonbury, CT

Time: 2 pm - 8 pm
Beginning at 2 pm, followed by dinner around 6 pm and the CT Pomological Society-UConn Extension Annual Summer Twilight meeting. No cost to attend.

Come on out and watch or be a part of equipment demonstrations, meet with dealers, Crop Insurance, RMA and more.

2:30-4 pm George Hamilton, UNH, will demonstrate sprayer technology that allows you to see where the spray is going, and showing how to monitor & improve spray coverage, featuring a specialized piece of equipment called a spray patternator.

The Twilight meeting will feature

- New smart phone app to help you with IPM decisions – Jon Clements, UMass
- Pomological Society update – Erica Teveris - President
- Growing season update – Mary Concklin, UConn
- Risk Management/Crop insurance presentation – Joe Bonelli & Colleen Kisselburgh
- Whatever else pops up as important

This Program is a cooperative effort of the CT Pomological Society, UConn Extension, the Connecticut Department of Agriculture, and the Risk Management Agency/USDA. This institution is an equal opportunity employer.

THE CONNECTICUT POMOLOGICAL SOCIETY

-Finer Fruit through Co-Operative Efforts since 1891
